

NORTHERN RAILWAY

VENDOR DEVELOPMENT BY NORTHERN RAILWAY

Under Government of India's "Make in India" policy, Northern Railway has launched an intensive drive to develop new vendors especially MSMEs to supply items needed for Railway's requirement. In order to provide an opportunity to entrepreneurs/new vendors/MSMEs items required by Railways are exhibited at JUDW Depot along with detailed description & specification and other related information, e.g. annual requirement & last purchase rates etc. Entrepreneurs/new vendors, especially MSMEs may avail this opportunity by visiting on any Wednesday by 11:00 AM. Assistant Materials Manager/JUDW (Mobile No. 9729530756) will be available to attend the queries in this regard.

Northern Railway, Headquarter Office will float development tenders for all such items including imported items in which all new vendors can participate. Benefits to entrepreneurs will be given as per MSME/Make in India policy of Government of India.

Tenders for developing new vendors will be uploaded on website www.ireps.gov.in.

DY. CHIEF MATERIALS MANAGER/JAGADHARI
